

HOW TOTAL MATERIA SUPPORTS RESEARCH IN ACADEMIA

and prepares students
for the future

LEARN INDUSTRY BEST PRACTICES

Total Materia allows students to work with real materials and real data providing a great foundation for industry.

THE VISION TO SUPPORT MATERIALS RESEARCH

Total Materia is in line with the academic community's needs by providing access to a huge diversity of materials and datasets.

WE PROVIDE ALL TRACEABLE REFERENCES

Total Materia ensures traceability for all sources of information, making further study and citation a piece of cake.

WE GO THE EXTRA MILE

We also provide you with additional help through our dedicated sourcing experts, which means even if you cannot immediately find the information in Total Materia, we can look elsewhere!

QUALITY AND RELIABILITY MEANS EVERYTHING

The triple certification in place guarantees the quality of our data and services by conformance to QMS ISO 9001, ISMS ISO 27001, and ISO 27701.

WE MAKE PERFECT SENSE TO YOU

If you were counting on receiving an excellent service when you signed up with Total Materia, you were absolutely right!
